Notice to Exhibitors

- Entry forms can be downloaded at <http://www.asca.org/Portals/0/stockentwfill.pdf>.
- In order to have ASCA trial points tracked and to receive ASCA titling certificates, each non-ASCA registered dog will be required to have an ASCA Tracking Number. This is a one-time fee of \$10/dog. At the time of applying for the tracking number, the individual owner must also be an ASCA member (minimum "Service" membership is required). ASCA membership does not need to be maintained in subsequent years. It will be the responsibility of the owner to identify previous ASCA points earned when applying for a Tracking Number. You can download the Tracking Number form at <http://asca.org/Portals/0/trackapp.pdf>.
- Use only ASCA entry forms that require exhibitor's or parent/legal guardian's signature on the back.
- Correct amount must accompany entry form. Any checks returned for insufficient funds will be considered a void entry. There is a \$25 service charge for returned checks. If entries are resubmitted, payment must be in the form of cash, Money Order, or Cashier's Check.
- Entry fees will not be refunded if the show cannot open or be completed by reason of riots, civil disturbances, fire and/or dangerous weather conditions, acts of God, public emergencies, acts of a public enemy, strikes, or other causes beyond the control of GASC. Entry fees will not be refunded in the event that a dog is absent, disqualified, excused by a veterinarian or judge, or barred from competition by the Trial Committee.
- Run order will be determined by random drawing the week before the trial. Gate entries will run last.
- Additional entries will be made from a waiting list established in order of receipt. Additions will be made prior to the start of the trial and are at the discretion of Gateway ASC. Fees will be refunded to the original entrant before close of entries only if a replacement dog is entered in place of the absent dog.
- Dogs entered in the Novice Handler Division **may not** compete in any other division on the same class of livestock on the same day. Dogs entered in the Junior Handler Division may compete in any other division on the same class of livestock on the same day. Scores from the Junior Handler and Novice Handler Division are not eligible toward certification or special awards (i.e., Started/Open/ Advanced, Sheep/Cattle/Ducks, Weekend High Combined, etc.).
- All dogs, whether competing for certification or not, **MUST** enter in the Started Division & progress through the Advanced Division.
- Should the entered dog injure stock, owner will pay for veterinarian services. If the injury is severe, owner will pay the market value of the stock (see, ASCA's Agreement on the back of the entry form). Market value of the stock has been determined to be \$700 for cattle, \$200 for sheep, and \$35 for ducks.
- Other Breeds - All herding breeds, and mixes thereof listed as eligible to compete in ASCA Stockdog Trials. Non-ASCA registered Aussies are considered "other breed." See Appendix 1, ASCA ***Stockdog Rules and Regulations***.
- Training devices (mechanical and/or electrical) will not be permitted on trial grounds.
- Bitches in season are permitted, and will run in catalog order.
- Tied scores within the same class will be broken by time or rerun of any part of the course. This is determined by the judge's authority and at his/her discretion.
- Each owner/handler is responsible for their dog(s). Dogs must be confined or on lead at all times, except when competing. Dogs are not allowed to run loose on the trial site.
- This trial will follow all rules of the Australian Shepherd Club of America. For a copy of ASCA's rules, go to <http://www.asca.org/Portals/0/StockdogRules.pdf>.
